Artist Instructor	Program
Chelsea Frattura	Oil Painting

Note to Participants:

Welcome to Oil Painting! For this class, you'll need to bring some of your own materials. To allow for personal preference and store availability, most size recommendations for brushes and canvases are flexible. Please arrive to class with the materials listed in the table below.

While specific paint colours are recommended, any red, yellow, blue, and white oil paint will work. Please avoid water-mixable oils, as we will be using traditional oil painting materials, including mineral spirits. For paint thinner, Michaels carries suitable options, but you can also find alternatives at Home Depot or other hardware stores.

Throughout the course, we will complete both painting exercises and fully realized artworks. You may use a pad of canvas paper for your studies or complete all work on gessoed, flat canvas boards. Suggested sizes are listed, but any similar size based on availability is fine. Looking forward to painting with you!

ART SUPPLY	DETAILS	SIZES	QUANTITY for the whole program
Canvas Board	Flat, unframed, gessoed	8"x10"-11"x14" – your preference	3
Canvas Pad	Strathmore or Artist's Loft (avoid canvas paper if possible, the canvas pads are more suitable)	9"x12"	1
